## New process for income support applications

Temporary Protection beneficiaries who arrive in Ireland meet with Departmental staff to commence the process of applying for PPSN's and income supports, the process for applying for income supports has been updated over recent weeks. Temporary Protection beneficiaries are now being given all the relevant application forms they need, together with translated support information, at the City West Reception Centre. They are asked to present with their **completed** application forms to their local Intreo or Branch offices after 5 working days when they are going to collect their PPSN. The completed forms will then be processed to allow the correct income support payment to issue. It is important that the person **completes** the forms before they go to their local Intreo Centre/Branch Office.

## What happens if a person who has Temporary Protection decides that they wish to leave the state?

Department of Social Protection assistance payments such as Supplementary Welfare Allowance or Jobseekers Allowance are not payable in respect of periods where a person is absent, whether temporarily or permanently, from the State (S. 249 (6) SWCA 2005 refers). However, payments may be administratively made for up to two weeks in any calendar year in respect of periods of absence from the State. On that basis, temporary periods of absence of up to two weeks in a calendar year can be facilitated. A person should inform the Department of their proposed absence in advance of travel.

Where a person will be temporarily absent from the state, for up to two weeks in a calendar year, their payment can be temporarily suspended and paid when they return.

Where a person is going to be absent from the state for a period of more than two weeks, they should close their claim and they can reapply for income support on their return.

Where a person is living in accommodation provided by IPAS they should contact their accommodation provider to clarify how any absence from the state may affect their accommodation placement.

## When a person is moving to new accommodation what do they need to do?

If a person is getting a payment from the Department of Social Protection and they move address, they must tell us. The person should go to their local Intreo Office or Branch Office or one of the dedicated Ukraine Support Centres in Dublin, Limerick or Cork and let us know their new address as soon as possible.

To find their local Intreo Office or Branch Office they should visit [www.gov.ie](http://www.gov.ie).

The dedicated Ukraine Support Centres are located in:

- Cork: Cork City PSC and PPSN Centre, Department of Social Protection, Hanover Street, Cork, T12 PX62
- Dublin: Guild Building, Cork Street, Dublin 8, D08 XH90
- Limerick: Dominick Street, Limerick, V94 X327

We will then update their address and send their payment to their new local Post Office. Depending on the timing of the accommodation move the persons payment for the current week may need to be reissued in their new location which may take a number of days.

People also have the option of applying to be paid into their bank account.

### Getting paid to a Bank Account

A change of address usually means a change in Post Office location for payment purposes. We will process these changes as quickly as possible however, depending on when a move takes place we may not always be able to change the Post Office within the payment week.

If a person has an account in an Irish financial institution, a Revolut, or N26 account, in their own name they can apply to get their payment made directly into their account. To do so they can visit their local Ukraine Support Centre/Intreo Centre/Branch Office.

### How can a person to change their Post Office when they move address?

As explained above a person can call to their local Ukraine Support Centre, Intreo Centre or Branch Office. There is also an online service available on [www.MyWelfare.ie](http://www.MyWelfare.ie) for customers who have come to Ireland under the EU Temporary Directive. It is available under the Ukraine Emergency Supports icon on [www.MyWelfare.ie](http://www.MyWelfare.ie)

A person that is receiving income support from us can use this service to ask that their Post Office is changed. The change will not be automatic, we will let the person know when the Post Office has been changed.

It is important that the person uses this service to advise the us that they need to change the Post Office as early as possible. This will help the us move the payment to the new Post Office as quickly as possible.
